Carol singing

Many many thanks to everyone who joined us for our annual village carol singing. It was wonderful to see so many new people, especially children and also brilliant to have people doing harmonies. A big thank you to little Margot who did a sterling job with the collecting box. It was a great night weather-wise and I think we managed to get to most houses. Our apologies if we missed you out. Many thanks also to those who contributed so generously. We made £123.51 for Alzheimer's Research UK and they have acknowledged receipt of the money. Anyone who is in the T. R. Residents Whatsapp Group will have been able to see a copy of the email received in response to our donation. Roll on a repeat performance next year.

New Year Party

In view of the Covid situation, the New Year Party has been postponed.

Politeness

If people ask me, I always tell them:

“Quite well, thank you,

I'm very glad to say.”

If people ask me, I always answer,

“Quite well, thank you,

how are you to-day?”

I always answer,

I always tell them,

If they ask me

Politely . . .

But sometimes,

I wish

that they wouldn't.

New Year security

God holds the key of all unknown,
And I am glad;
If other hands should hold the key,
Or if he trusted it to me,
I might be sad.

What if tomorrow's cares were here
Without its rest?

I'd rather he unlocked the day,
And, as the hours swing open, say,
“My will is best.”

I cannot read his future plans,
But this I know:

I have the smiling of his face
And all the refuge of his grace
While here below.

Enough: this covers all my wants;
And so I rest!

For what I cannot, he can see,
And in his care I saved shall be,
For ever blest. J. Parker
