Bulletin

No. 236

1st May 2022

Paddy Charlton

It is with a very heavy heart that we have to tell you that Paddy died suddenly at home on the evening of April 26. We feel very much for Roger and Ro. If we get more information we will let you know.

The Bulletin

It is now a year since the Bulletin was resurrected. It goes out to 72 homes which are on email and to a further 14 which are not.

Of course, certain ground rules are needed for smooth running. I need items to be sent to me in good time, or warning to be given of items coming later. I do not publish anything abusive, destructive or anonymous.

If I can do better, please let me know, kindly, I hope. A sign seen in a Wild West saloon read 'Please do not shoot the pianist – he is doing his best!'

Circulars

Sometimes it is necessary to send round a piece of paper to every house. It is helpful if there is an indication on the paper as to who is sending this information out. This would enable anyone to request more information, or to correct anything which is incorrect. It would also avert any problems which an anonymous communication might cause in a small village like ours.

Good Friday

He was pierced for our transgressions, he was crushed for our iniquities; the punishment that brought us peace was upon him, and by his wounds we are healed. We all, like sheep, have gone astray, each of us has turned to his own way; and the Lord has laid on him the iniquity of us all. Isaiah 53:5-6
(Written 700 years beforehand)

The good news . . . that Christ died for our sins according to the Scriptures. 1 Corinthians 15:1-3

The life I live . . . I live by faith in the Son of God, who loved me and gave himself for me. Galatians 2:20

Mission Room

Our next service in the Mission Room will be held on Sunday 22nd May at 6:00 p.m.

Jackie Cook has recently retired as treasurer to the Mission Room after very many years of faithful service. On behalf of us all, I would like to thank Jackie for her amazing contribution to the life of the Mission Room and her support and encouragement on our journey in faith.

Lent Lunch April 1

Very many thanks to all who supported our recent Lent Lunch. £236.25 was donated for the Christian Aid Humanitarian Appeal. We are very grateful to the ladies who donated soups, cheese, and biscuits. We are also indebted to the Wensleydale Creamery who kindly gave a 50% discount on the cost of the cheese. Thanks are also given to the Village Institute Committee who waived the hire charges and to everyone who helped to set up and those who helped in the kitchen.

Community Lunch Hub

This is a new venture for Bainbridge W.I. It is part of our 'Afternoon Meetings' project which is sponsored by NYCC's Stronger Communities Grant.

Everyone is welcome. You do not have to be a WI member or even a woman to come along! A Soup and Sweet lunch is provided, followed by tea or coffee. (We would welcome donations of £5 for the lunch.) After the lunch there is a speaker or some entertainment. You can come along just for the lunch if you so wish. Please arrive for the lunch between 12 and 12:30 p.m. or 2:00 p.m. for the afternoon activity. The programme for Thornton Rust Institute is:

- Monday 23rd May. Lunch followed by a talk from Julie Greenslade on the 'Good Life Project'.
- Monday 22nd August. Lunch followed by a talk from local author and retired GP Carole Tetlow.
- Monday 21st November. Lunch followed by a recital from Caroline Griffiths of Wensleydale Music.

Road repairs

You may have noticed that on the road between Aysgarth and here some craters have been ringed round with white, perhaps because the Highways are going to fill them. It is tempting to think that you could use white spray paint to put rings round your favourite potholes too, and then the Highways will think these holes are to be attended to also. This is not recommended. It has been tried here in the past, but it simply led to confusion!

Queen's Platinum Jubilee

The following is a rough timetable that has been planned for the celebrations in the village for the Queen's Platinum anniversary on Saturday 4th June, to be held outside the Institute.

- 3.00 p.m. The judging for the best dressed house will take place with a prize for the winner.
- 3.30 p.m. Children's fancy dress competition. Prize for the winner.
- 4.00 p.m. Children's games including 3-legged race, egg and spoon race and more! Inside or out depending on the weather.
- 5.00 p.m. Presentation of certificate and prize-giving for the best dressed house.
- 5.30 p.m. A fun quiz inside the hall! Prize for the winners.
- 6.15 p.m. A substantial cold buffet supplied by the Institute Committee. May we call for volunteers from the village to provide the puddings and desserts? Please bring your own drinks and glasses.
- 7.30 p.m. Music and dancing?

This is intended to be a FUN day, with everyone in the village taking part.

It is not often we get the chance to celebrate such an anniversary!

Please come along and enjoy the day. You will be made very welcome.

If you are brave enough, come in red white and blue outfits.

Mole beavering away

I had a mole in my garden (only one). Knowing the benefits of the soil kicked out, I removed all the mole hills to my vegetable strips – three quarters of a ton! Now no more hills appear. Perhaps he has died, either from overwork or from a surfeit of worms. Colin Day
